Trevor Jones received a blood transfusion as a newborn while being treated for a heart condition. Trevor is able to spend time with his family and play sports with his brother thanks to the selfless acts of blood donors.

Grace Marie Koontz was diagnosed with leukemia shortly before her first birthday. Throughout her treatment, Grace required numerous blood transfusions and a cord blood transplant. Thanks to blood donors, she is now a healthy and active four year old.

Blood recipient Denver Haslam received more than 125 units of blood after a skiing accident nearly took his life. In May 2006, Denver had the opportunity to meet some of the donors who helped save him.

"So many people shared the gift of life with me. I can't imagine a better gift and am grateful for the opportunity to thank each of them face-to-face," said Haslam.

The Castle Rock Young Marines were recognized with Bonfils' 2006 Youth Service Award at our annual Appreciation Reception in Denver. The group adopted Bonfils as one of their many service projects in 2006 and recruited nearly 75 blood donors, including 38 first-time donors, to a blood drive which they coordinated from start to finish.

Jodi Muser joined Bonfils' elite 50-gallon donor club in March. Only the second female in Bonfils' history to attain the milestone, Jodi convinced 10 of her fellow Red Hat Society Ladies to help celebrate by making their own blood donations. Only seven Bonfils' donors have reached or surpassed the 50-gallon mark.
